

MONEY OFF your power bill

The Power Company Limited (TPCL) is the **local Southland*** owner of your electricity lines and other electricity industry investments. Consumers are the beneficial owners of TPCL through the Southland Power Trust's 100% shareholding in TPCL. We're one of New Zealand's **most successful** rural electricity network owners.

If you're one of our **35,700 customers**** in Southland or West Otago, you will receive a discount on your power bill.

Since 2001, we've put over **\$100 million** (including GST) back into the pockets of households and businesses through our **annual customer discount**.

This year it totals **\$8.7 million** (including GST). It's **our way of giving back** to local consumers and saying a **big thank you** for your loyal support. **So, enjoy** that little bit extra off your power bill.

We're proud to share our success with you.

- * excluding Invercargill City and Bluff.
- ** excluding streetlights, unmetered and 1kVA connections.

Will you get the discount?

It's easy, check your power bill!

Every property has a reference called an ICP number and it appears on your power bill. If your ICP number includes the letters 'TP', then you're on our network.

ELECTRICITY	
Supply address:	
A HOUSE	Supply type: Electricity
SUBURB	For the period ended 31 AUGUST 2018
TOWN	
ICP number: 0000567820 TP -A9C	Meter Number: 122181732:1

You need to be connected with us at midnight on 31 August 2018 to get the discount. All **residential customers** will receive a discount of 2.01 cents per kilowatt hour (including GST) based on the power consumption recorded for the property. The discount will show up on your power bill from your retailer in September or October. Discounts vary according to how much power you use. As an example, an average household using 6000kWh a year receives \$120.60.

Annual Electricity Consumption (kWh)	Discount \$ (GST inclusive)
3,000	\$60.30
6,000	\$120.60
9,000	\$180.90
12,000	\$241.20
15,000	\$301.50

The discount reflects the amount of variable line charge paid.
 The discount for **general customers** (non-residential) is 15.98% of fixed charges and 1.13 cents per kWh (including GST).
Individual customers - individually assessed.
