

Coronavirus update

Recently an outbreak of a new coronavirus disease called COVID-19 has been identified. There are now four confirmed cases, all based in Auckland. The Ministry of Health are advising that with continued vigilance the chance of a widespread community outbreak is expected to remain low, however we have put in place the following measures.

We have appointed a point of contact to manage the potential outbreak within our business:

- Faye McLeod has been appointed the PowerNet COVID-19 Manager is contactable by cell phone 027 809 3464

Attached and linked are two documents;

1. [PC-PLN-0001](#) - Workplace Coronavirus COVID-19 Pandemic Plan 2020
2. [Frequently Asked Questions \(FAQ's\)](#) and these will be regularly updated.

PowerNet is currently monitoring the situation and will be providing regular updates as they become available.

Any questions please email to COVID19enquiries@powernet.co.nz or escalate through your leader, and we will update the FAQ's to reflect the common questions

Depot supervisors and administrators please place this bulletin and attachments on noticeboards.
