

The Power Company Limited

Notification of Line Price Changes Effective From 1 April 2019

Pursuant to the Electricity Distribution Information Disclosure Determination 2012, The Power Company Limited (TPCL) hereby gives notice that the following line charges will apply for Installation Control Points (ICPs) as from 1 April 2019

This line charge notification is for all Residential customers and General customers up to a contract capacity of 100kVA. Customers over 100kVA are assessed on an individual basis. Changes to prices reflect a decrease in Transmission charges and an increase in distribution maintenance costs and an increased return by The Power Company Limited.

The line charges do not include metering charges and are GST exclusive.

Further information relating to line charges can be found at the following web URL <http://www.powernet.co.nz>

Electricity consumers should note that these are the line charges as charged to the electricity retailers. Individual electricity retailers will make their own decisions whether to adjust their retail prices to consumers to reflect any changes in the line charges, if you have any questions in this regard you should direct these to your electricity retailer.
