

Money off your power bill

The Power Company Ltd (TPCL) is the **locally owned and operated Southland*** electricity lines and electricity industry investment company.

If you're one of our 36,800 customers in Southland or West Otago, you will receive a price discount on your power bill.**

Since 2001, we've put over **\$126 million** (including GST) back into the pockets of households and businesses through our **annual customer discount**.

This year it totals **\$9.43 million** (including GST). It's **our way of giving back** to local shareholders - you the consumers. This is the benefit of local ownership of your electricity network.

Will you **get the price discount?**

It's easy, check your power bill!

Every property has a reference called an ICP number and it appears on your power bill. If your ICP number includes the letters 'TP', then you're on our network.

You had to be connected to TPCL network at midnight on 31 August 2021 to qualify for the price discount. All **residential customers** will receive a price discount of 2 cents per kilowatt hour (including GST) based on the power consumption recorded for the property. The price discount will show up on your power bill from your retailer in September or October. Discounts vary according to how much power you use. As an example, a household using 9,000kWh a year receives \$180.

- * Note: excluding parts of Invercargill City and Bluff.
- * Excludes streetlights, unmetered and 1kVA connections.
- * Annual price discount on distribution services charged to the Retailer (on basis that it's passed-through to Retailer's Consumers).
