### Electricity distribution information disclosure determination 2012

Customer service is important to us at PowerNet. If for any reason, we do not meet your expectations we would like the opportunity to work through a solution with you, please call our office on 03 2111899. If we are unable to resolve your concern, there is a free and independent resolution service available through Utilities Disputes Limited [www.udl.co.nz](http://www.udl.co.nz)

## Introduction

This Asset Management Plan disclosure covers the additional narrative requirements prescribed in the Commerce Commission's Targeted Information Disclosure Review (November 2024 decision). These requirements are specified in Clause 2.5.2A in the Amendment Determination. The requirements are as follows:

**“Clause 2.5.2A** Each EDB is also required to publicly disclose the following information about each of its **zone substations** in a format commonly used by geographical, or equivalent, information system mapping software:

1. Its name.
2. The names of any feeders connected to it.
3. The coordinates of its location.
4. The boundary of the area it serves; and
5. The input voltage and output voltage that it primarily transformers.”
